# Abilene Christian University Department of Kinesiology and Nutrition "Scholarship Application"

This application is for the upcoming school year (fall and spring). Should you be awarded a scholarship you must be a major in the Kinesiology and Nutrition Department during both semesters of the upcoming year to receive the funds. It is your responsibility to inform the department if you change majors during either semester so the funds can be awarded to another student.

Applications that are free of errors and computerized are valued more highly. A professionally prepared application goes a long way toward impressing the selection committee. Any faculty member will be glad to give you ideas for preparing a quality application. If you do not apply, you surely will not be selected.
