The Employer shall amend Appendix B as needed, to reflect a Participating Employer’s adoption of the Plan or withdrawal from the Plan, without any need to otherwise amend the Plan. Amendment of Appendix B may be made by any authorized officer or representative of the Employer and shall not require approval of the Board of Directors.

Each Welfare Program under the Plan is identified in Appendix A which is incorporated into and a part of the Plan. The documents for each Welfare Program are incorporated into this document. Amendment of Appendix A may be made by any authorized officer or representative of the Employer and shall not require approval by the Employer’s Board of Directors.

In the event that the provisions of any Welfare Program conflict with or contradict the provisions of this document or any other Welfare Program, the Plan Administrator shall use its discretion to interpret the terms and purpose of the Plan, including the written terms and provisions of any Welfare Program document, so as to resolve any conflict or contradiction. However, the terms of this document may not enlarge the rights of a Participant, Spouse, Dependent or Beneficiary to benefits available under any Welfare Program.

ARTICLE III

Eligibility and Participation

3.1 Eligibility. (a) An Employee shall be eligible to participate in the Plan only as specified in a particular Welfare Program listed in Appendix A. An eligible Employee does not include any individual who is in a division, department, unit, or job classification designated by the Employer as not benefit-eligible, regardless of the Employee’s work schedule or number of hours worked, unless the Employee is included in the employer shared responsibility penalty calculations, as defined under the ACA, and the Plan Administrator elects to include such Employees as Eligible Employees. The Welfare Program may also designate those Spouses, Dependents, or Beneficiaries, if any, eligible to receive benefits from the Plan and set forth the criteria for their becoming covered hereunder.

(b) If the Employer has the equivalent of 50 or more full-time Employees, to the extent required by the ACA and other applicable federal law, an Employee shall be eligible to participate in the Employer’s group health plan if, in addition to meeting other applicable criteria, the Employee is a full-time Employee who is employed an average of at least 30 hours of service per week with the Employer.

Full-time Employee status for group health plan coverage purposes will be determined in accordance with the measurement rules as specified by the federal government and as adopted by the Employer for all Employees (including variable hour, temporary and seasonal employees, if such classes exist within the Employer). Full-time Employee status does not include any temporary employee who is eligible for group health plan coverage through a leasing organization, unless otherwise required by the ACA and the Employer. Determination of full-time Employee status will be made by the Plan Administrator, in its sole and absolute discretion, in accordance with the Plan and the Employer Shared Responsibility provisions of the ACA.

3.2 Enrollment. The Plan Administrator shall establish procedures in accordance with the Welfare Programs for the enrollment of eligible Employees, their Spouses or Dependents, if any, under the Plan. The Plan Administrator shall prescribe enrollment forms that must be completed by a prescribed deadline prior to commencement of coverage under the Plan.

3.3 Termination of Participation. A Participant shall cease being a Participant in the Plan and coverage under this Plan for the Participant, his or her Spouse, Dependents and Beneficiaries, if any, shall terminate in accordance with the provisions of the Welfare Programs and the ACA.

ARTICLE IV

Funding and Benefits

4.1 Funding. (a) Notwithstanding anything to the contrary contained herein, participation in the Plan and the payment of Plan benefits attributable to Employer or Participating Employer contributions shall be conditioned on a Participant contributing to the Plan at such time and in such amounts as the Plan Administrator shall establish from time to time ("Participant Contribution"). The Plan Administrator may require that any Participant Contributions be made by payroll deduction. Nothing herein requires the Employer, Participating Employer or the Plan Administrator to contribute to or under any Welfare Program, or to maintain any fund or segregate any amount for the benefit of any Participant, Spouse, Dependent, or Beneficiary, except to the extent specifically required under the terms of a Welfare Program. No Participant, Spouse, Dependent, or Beneficiary shall have any right to, or interest in, the assets of the Employer or Participating Employer.

(b) The Employer shall have no obligation, but shall have the right, to insure or reinsure, or to purchase stop loss coverage with respect to any Welfare Program under this Plan. To the extent the Employer elects to purchase insurance with respect to any Welfare Program, any benefits to be provided under such Welfare Program shall be the sole responsibility of the insurer, and the Employer or Participating Employer shall have no responsibility for the payment of such benefits (except for refunding any Participant Contributions that were not remitted to the insurer). Except as otherwise permitted by rulings or regulations under ERISA, any Participant Contributions shall be remitted to the appropriate insurer, as soon as practicable but not later than 90 days after such contributions are made and would otherwise have been paid to Participants in cash.

4.2 Benefits. Benefits will be paid solely in the form and amount specified in the relevant Welfare Program and pursuant to the terms of such Welfare Program.

ARTICLE V

Plan Administration and Fiduciary Duties

5.1 Named Fiduciary. The Plan Administrator shall be the “named fiduciary” of the Plan, as defined in Section 402(a)(2) of ERISA, unless the Employer appoints a replacement.

5.2 Plan Administration. Except as otherwise provided in a Welfare Program:

(a) The Plan Administrator shall have sole discretion and authority to control and manage the operation and administration of the Plan.

(b) The Plan Administrator shall have complete discretion to interpret the provisions of the Plan, make findings of fact, correct errors, and supply omissions. All decisions and interpretations of the Plan Administrator made in good faith pursuant to the Plan shall be final, conclusive and binding on all persons, subject only to the claims procedure, and may not be overturned unless found by a court to be arbitrary and capricious.

(c) The Plan Administrator shall have all other powers necessary or desirable to administer the Plan, including, but not limited to, the following:

(i) To prescribe procedures to be followed by Participants in making elections under the Plan and in filing claims under the Plan;

(ii) To prepare and distribute information explaining the Plan to Participants;

(iii) To receive from the Employer (or Participating Employer) and Participants, Spouses, Dependents and Beneficiaries such information as shall be necessary for the proper administration of the Plan;

(iv) To keep records of elections, claims, disbursements for claims under the Plan, and any other information required by ERISA or the Code;

(v) To appoint individuals or committees to assist in the administration of the Plan and to engage any other agents it deems advisable;

(vi) To purchase any insurance deemed necessary for providing benefits under the Plan;

(vii) To accept, modify or reject Participant elections under the Plan;

(viii) To promulgate election forms and claims forms to be used by Participants;

(ix) To prepare and file any reports or returns with respect to the Plan required by the Code, ERISA or any other laws;

(x) To determine and announce any Participant Contributions required hereunder;

(xi) To determine and enforce any limits on benefits elected hereunder;

(xii) To take such action as may be necessary to cause any required payroll deduction of any Participant Contributions required hereunder; and

(xiii) To correct errors and make equitable adjustments for mistakes made in the administration of the Plan; specifically, and without limitation, to recover erroneous overpayments made from the Plan to a Participant, Spouse, Dependent or Beneficiary, in whatever manner the Plan Administrator determines is appropriate, including recoupment of past payments, or offsets against, future payments due that Participant, Spouse, Dependent or Beneficiary.

(d) The Plan Administrator shall have sole discretion and authority regarding the distribution, or other use, of dividends, demutualization and/or the Medical Loss Ratio rebates, if any, from group health insurers.

5.3 Delegation of Duties. The Plan Administrator may delegate responsibilities for the operation and administration of the Plan, may designate fiduciaries other than those named in the Plan, and may allocate or reallocate fiduciary responsibilities under the Plan.

5.4 Indemnification. The Plan Administrator and any delegate who is an employee of the Employer or Participating Employer shall be fully indemnified by the Employer and each Participating Employer against all liabilities, costs, and expenses (including defense costs, but excluding any amount representing a settlement unless such settlement is approved by the Employer) imposed upon it in connection with any action, suit, or proceeding to which it may be a party by reason of being the Plan Administrator or having been assigned or delegated any of the powers or duties of the Plan Administrator, and arising out of any act, or failure to act, that constitutes or is alleged to constitute a breach of such person's responsibilities in connection with the Plan, unless such act or failure to act is determined to be due to gross negligence or willful misconduct.

5.5 Fiduciary Duties and Responsibilities. Each Plan fiduciary shall discharge his or her duties with respect to the Plan solely in the interest of each Participant, Spouse, Dependent and Beneficiary; for the exclusive purpose of providing benefits to such individuals and defraying reasonable expenses of administering the Plan; and in accordance with the terms of the

Plan. Each fiduciary, in carrying out such duties, shall act with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in exercising such authority. A fiduciary may serve in more than one fiduciary capacity. Unless liability is otherwise provided under Section 405 of ERISA, a named fiduciary shall not be liable for any act or omission of any other party to the extent that (a) such responsibility was properly allocated to such other party as a named fiduciary, or (b) such other party has been properly designated to carry out such responsibility pursuant to the procedures set forth above.

ARTICLE VI

Claims and Subrogation

6.1 Claims Procedure. Except as provided in Sections 6.2, 6.3 and 6.4, a claim for benefits under a Welfare Program shall be submitted in accordance with and to the party designated under the terms of such Welfare Program.

6.2 Claims Procedures for Group Health Plans. (a) This Section is intended to comply with Department of Labor Regulations, 29 C.F.R. §§ 2560.503-1 and 2590.715-2719, and shall apply specifically to claims under a group health plan as defined in Department of Labor Regulation 29 C.F.R. § 2560.503-1. To the extent that this procedure is inconsistent with the claims procedure contained in the policies, contracts, summary plan descriptions or other written materials for the Welfare Program, the claims procedure in such other policies, contracts, summary plan descriptions, or other written materials shall supersede this procedure, provided such other claims procedure complies with Department of Labor Regulations 29 C.F.R. §§ 2560.503-1 and 2590.715-2719. In accordance with those regulations, all claims and appeals for group health plan benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision. Notwithstanding any provision of this Article VI, a group health plan that is a Grandfathered Plan is not subject to the claims and appeals procedures under Department of Labor Regulation § 2590.715-2719.

(b) Written Claim for Benefits. If a claimant asserts a right to any benefit under the Plan, the claimant must file a written claim for such benefit with the Plan Administrator. For purposes of this Section, claimant shall mean any Participant, Spouse, Dependent, or Beneficiary or authorized representative who files a claim for group health plan benefits under the Plan.

(c) Benefit Determinations. All adverse benefit determinations referenced below shall be written in a culturally and linguistically appropriate manner, and shall include the information required by Department of Labor Regulations 29 C.F.R. §§ 2560.503-1 and 2590.715-2719.

(i) Post-Service Claims. A post-service claim is any claim that is filed for payment of benefits after health care has been received.

(A) Upon the denial of a post-service claim, the Plan Administrator shall notify the claimant in writing of such denial within 30 days of receipt of the claim. The Plan Administrator shall be permitted one 15-day extension to the 30-day claim determination period, provided that the Plan Administrator determines that such extension is necessary due to matters beyond the Plan's control and notifies the claimant before the end of the initial 30-day period of the circumstances necessitating the extension of time and the date by which the Plan intends to render a decision. If such extension is required due to the claimant's failure to submit all information necessary to decide the claim, the extension notification must specifically describe the required information and the claimant shall have 45 days from receipt of the notice to provide the requested information. Failure by the claimant to provide requested information shall result in the denial of the claim.

(B) A denial notice shall explain the reason(s) for denial, refer to the Section(s) of the Plan on which the denial is based, and provide the claim appeal procedures. The denial notice must also comply with any additional requirements described in Department of Labor Regulations 29 C.F.R. §§ 2560.503-1 and 2590.715-2719.

(C) The time period to consider a post-service claim shall be suspended from the date any notification of extension is sent to the claimant until the claimant fulfills any request for additional information.

(ii) Pre-Service Claims. A pre-service claim is any claim for benefits that requires certification or approval prior to the performance of the requested health care service.

(A) Upon receiving a pre-service claim, the Plan Administrator shall notify the claimant in writing of the Plan's benefit determination within a reasonable period but no later than 15 days after receipt of the claim. The Plan Administrator shall be permitted one 15-day extension provided that the Plan Administrator determines that such extension is necessary due to matters beyond the Plan Administrator's control and notifies the claimant before the end of the initial 15-day period of the circumstances necessitating the extension of time and the date by which the Plan intends to render a decision. The Plan Administrator shall, within 5 days of receiving any deficient claim, notify the claimant of such deficiency and the steps necessary to correct the claim. Notification may be oral unless the claimant requests written notification. The claimant shall have 45 days from receipt of the notice to provide the requested information. Failure by the claimant to provide requested information shall result in the denial of the claim.

(B) A denial notice shall explain the reason(s) for the denial, refer to the Section(s) of the Plan on which the denial is based, and provide the claim appeal procedures. The denial notice must also comply with any additional requirements described in Department of Labor Regulations 29 C.F.R. §§ 2560.503-1 and 2590.715-2719.

(C) The time period to consider a pre-service claim shall be suspended from the date any notification of extension is sent to the claimant until the claimant fulfills any request for additional information.

(iii) Urgent Care Claims. An urgent care claim is a claim that requires notification or approval prior to receiving medical care, where a delay in treatment could seriously jeopardize the claimant's life or health or the ability to regain maximum function or, in the opinion of a doctor with knowledge of the claimant's health condition, could cause severe pain.

(A) An urgent care claimant shall receive notice of the benefit determination in writing or electronically as soon as possible, but no later than 72 hours (or such other time as prescribed in Department of Labor Regulations) after the Plan Administrator receives all necessary information, taking into account the severity of the claimant's condition. Notice of denial may be oral with a written or electronic confirmation to follow within 3 days. If the claimant files an urgent care claim improperly, the Plan Administrator, within 24 hours after the claim is received, shall notify the claimant of the improper filing and how to correct it. The claimant shall have 48 hours (or such other time as prescribed in Department of Labor Regulations) to provide the requested information and shall be notified of a determination no later than 48 hours after receipt of the corrected claim or the end of the 48-hour period afforded to the claimant to provide the requested additional information.

(B) A denial notice shall explain the reason(s) for the denial, refer to the Section(s) of the Plan on which the denial is based, and provide the claim appeal procedures. The denial notice must also comply with any additional requirements described in Department of Labor Regulations 29 C.F.R. §§ 2560.503-1 and 2590.715-2719.

(iv) Concurrent Care Claims.

(A) Any request by a claimant to extend an on-going course of treatment beyond a previously approved specified period of time or number of treatments, that is an urgent care claim as defined in paragraph (iii), shall be decided as soon as possible, and the Plan Administrator shall

notify the claimant of the determination within 24 hours of receipt of the claim, provided the claim is made at least 24 hours prior to the end of the approved period of time or number of treatments. If the claimant's request for extended urgent care treatment is not made at least 24 hours prior to the end of the approved treatment, the request shall be treated as an urgent care claim in accordance with paragraph (iii).

(B) If an on-going course of treatment was previously approved for a specified period of time or number of treatments, and the claimant's request to extend treatment is non-urgent, the claimant's request shall be considered a new claim and decided in accordance with post-service or pre-service timeframes, as applicable.

(d) Appeal of Claim Denial.

(i) Any claimant shall have the right to appeal an "adverse benefit determination" as defined in Department of Labor Regulation 29 C.F.R. § 2590.715-2719 within 180 days of receipt of such adverse benefit determination. Any appeal shall be submitted to the Plan Administrator in writing. If the appeal relates to a claim for payment, the claimant's request should include: the patient's name and plan identification number; the date(s) of health care service(s); the provider's name; the reason(s) the claimant believes the claim should be paid; and any documentation or other written information to support the claimant's request for claim payment.

(ii) An appeal shall be determined by an individual who is neither the individual who made the adverse benefit determination that is the subject of the appeal, nor a subordinate of that individual. If the appeal is related to medical matters, the appeal shall be reviewed in consultation with an independent and impartial health care professional who has appropriate training and experience in the particular field of medicine in order to make the health care judgment and who was not involved in the prior determination. The Plan Administrator may consult with, or seek the participation of, independent and impartial medical experts as part of the appeal resolution process. The claimant consents to this referral and the sharing of pertinent health claim information. The claimant shall have the right to review and respond to any new or additional evidence or rationales considered, relied upon, or generated by the Plan or other person making the benefit determination before the Plan issues an adverse benefit determination on appeal. Upon request and free of charge the claimant has the right to reasonable access to and copies of, all documents, records, and other information relevant to the claimant's claim for benefits.

(iii) The claimant shall be notified of the Plan Administrator's decision upon review as appropriate, in accordance with the content and timing requirements of Department of Labor Regulations, 29 C.F.R. §§ 2560.503-1 and 2590.715-2719.

(iv) Upon being notified of an adverse determination under an appeal, the claimant shall be permitted, within 60 days of receiving notice of such determination, to

submit notice of a “second-level appeal” to the Plan Administrator. A second-level appeal shall be decided in accordance with the rules in paragraph (ii).

(e) Timeframes for Appeals Determinations.

(i) Pre-Service Claim Appeal. The Plan Administrator shall have 15 days, upon receiving notice of appeal (or second-level appeal) of the denial of benefits under a pre-service claim, to notify the claimant electronically or in writing of the appeal determination.

(ii) Post-Service Claim Appeal. The Plan Administrator shall have 30 days, upon receiving notice of appeal (or second-level appeal) of the denial of benefits under a post-service claim, to notify the claimant electronically or in writing of the appeal determination.

(iii) Urgent Care Claim Appeal. Upon receiving a notice to appeal (or second-level appeal) the determination of a claim involving urgent care, the Plan Administrator shall notify the claimant of the appeal determination as soon as possible, taking into account medical exigencies surrounding the claim, but no later than 72 hours (or such other time as prescribed in Department of Labor Regulations). Notice shall be given to the claimant by telephone, facsimile, or other similarly expeditious manner. Oral communications shall be followed up in writing.

(iv) The Plan Administrator has the exclusive right to interpret and administer the provisions of the Plan and its decisions with respect to claims are conclusive and binding.

(f) External Appeals. Except as otherwise required by applicable law, if a Participant exhausts all internal appeals procedures, the Participant may commence an external review. The external review process will comply with applicable state or federal law and other rules and procedures for non-Grandfathered Plans as prescribed in Department of Labor Regulation 29 C.F.R. § 2590.715-2719.

6.3 Claims Procedure for Benefits Based on Determination of Disability. (a) This Section shall apply to any claim made under a Welfare Program which bases benefits on a determination of disability. To the extent that this procedure is inconsistent with the claims procedure contained in the policies, contracts, summary plan descriptions or other written materials for the Welfare Program, the claims procedure in such other policies, contracts, summary plan descriptions, or other written materials shall supersede this procedure as long as such other claims procedure complies with Department of Labor Regulation 29 C.F.R. § 2560.503-1. In accordance with that regulation, all claims and appeals for disability benefits will be adjudicated in a manner designed to ensure the independence and impartiality of the persons involved in making the decision.

(b) If a claim for benefits based on a determination of disability is denied in whole or in part, the claimant or the claimant’s Beneficiary shall receive written notification of the “adverse benefit determination” as defined in 29 C.F.R. § 2560.503-1 in a culturally and

linguistically appropriate manner. A denial notice shall explain the reason(s) for the denial, refer to the Section(s) of the Plan on which the denial is based, and provide the claim appeal procedures. The denial notice must also comply with any additional requirements described in Department of Labor Regulation 29 C.F.R. § 2560.503-1. Among other requirements, that regulation requires denial notices for disability claims to include:

- (i) a discussion of the decision, including, if applicable, the basis for disagreeing with or not following the views of health care and vocational professionals who evaluated the claimant, the views of medical or vocational experts whose advice was obtained on behalf of the Plan in connection with the claimant's adverse benefit determination, or with a disability benefit determination regarding the claimant made by the Social Security Administration;
- (ii) the internal rules, guidelines, protocols, standards, or other similar criteria of the Plan that were relied upon in denying the claim or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria of the Plan do not exist;
- (iii) if applicable, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Plan to the claimant's medical circumstances, or a statement that such explanation will be provided free of charge upon request; and
- (iv) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits.

Claimants will receive adverse benefit determinations within a reasonable period of time, but no later than 45 days after the Plan Administrator's receipt of the claim. The Plan Administrator may extend this period for up to 30 additional days provided the Plan Administrator determines that the extension is necessary due to matters beyond the Plan Administrator's control and the claimant is notified of the extension before the end of the initial 45-day period and is also notified of the date by which the Plan Administrator expects to render a decision. The 30-day extension can be extended by an additional 30 days if the Plan Administrator determines that, due to matters beyond its control, it cannot make the decision within the original extended period. Any notice of extension must be sent to the claimant before the end of the initial 30-day period, and shall explain the circumstances requiring the extension, the date by which the Plan Administrator expects to render a decision, the standards on which the claimant's entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information, if any, the claimant must submit. The claimant shall be provided with at least 45 days to provide the additional information. The period from which the claimant is notified of the additional required information to the date the claimant responds is not counted as part of the determination period.

(c) The claimant shall have 180 days to appeal an adverse benefit determination. The claimant shall have the right to review and respond to any new or additional evidence or rationales considered, relied upon, or generated by the Plan or other person making

the benefit determination before the Plan issues an adverse benefit determination on appeal. The claimant shall be notified of the Plan Administrator's decision upon review within a reasonable period of time, but no later than 45 days after the Plan Administrator receives the claimant's appeal request. The Plan's adverse benefit determination on review shall include the information required by Department of Labor Regulation 29 C.F.R. § 2560.503-1. Among other requirements, this adverse benefit determination must include a statement of the claimant's right to bring a lawsuit in federal court and a description of any applicable contractual limitations period that applies to the claimant's right to bring a lawsuit and its expiration date.

The 45-day period may be extended for an additional 45-day period if the Plan Administrator determines that special circumstances (such as the need to hold a hearing) require an extension of time and provided that the claimant is notified of the extension prior to the expiration of the initial 45-day period. Such notice shall state the special circumstances requiring the extension and the date by which the Plan Administrator expects to render a decision.

(d) The time period to consider a claim for benefits based on a determination of disability or to consider an appeal of an adverse benefit determination shall be suspended from the date any notification of extension is sent to the claimant or appellant until such individual fulfills such request for additional information.

6.4 Claims Procedure for Benefits Other Than Health Benefits or Those Based on Determination of Disability.

(a) If the Welfare Program does not describe a claims procedure for benefits that satisfies the requirements of Section 503 of ERISA, or the Plan Administrator determines that the procedures described in Sections 6.2 or 6.3 with respect to a particular Welfare Program shall not apply, the claims procedure described in this Section shall apply with respect to such Welfare Program if the Welfare Program is subject to ERISA. If the Welfare Program is not subject to ERISA as determined by the Plan Administrator, then the claims procedure contained in the policies, contracts, summary plan descriptions or other written materials for the Welfare Program shall supersede this procedure.

(b) If a Participant or former Participant asserts a right to any benefit under the Plan that the Participant has not received, the Participant or his or her authorized representative shall file a written claim for such benefit with the Plan Administrator. If the Plan Administrator wholly or partially denies such claim, it shall provide written or electronic notice to the claimant within a reasonable period of time, but not later than 90 days after receipt by the Plan Administrator of the claim, unless the Plan Administrator determines that special circumstances require an extension of time, not to exceed 90 days, for processing the claim. If the Plan Administrator determines that an extension of time is required, it shall provide the claimant with written notice of the extension before the end of the initial 90-day period. Such notice shall describe the special circumstances requiring the extension of time and specify the date by which the Plan Administrator expects to render a benefit determination. If the Plan Administrator wholly or partially denies a claim, it shall set forth in its benefit determination, which shall be written in a manner calculated to be understood by the claimant:

- (i) the specific reasons for the denial of the claim;
- (ii) specific reference(s) to pertinent provisions of the Plan on which the adverse benefit determination is based;
- (iii) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary;
- (iv) an explanation of the Plan's claims review procedure, including the time limits applicable under such procedure; and
- (v) a statement that the claimant has the right to bring a civil action under Section 502(a) of ERISA following an adverse benefit determination on review.

(c) A Participant or former Participant whose claim for benefits is denied may request a full and fair review of the adverse benefit determination within 60 days after notification of the adverse benefit determination by the Plan Administrator. The Participant or former Participant:

- (i) shall be provided a review that takes into account all comments, documents, records and other information submitted by the claimant relating to the claim, without regard to whether such information was submitted or considered in the initial determination;
- (ii) shall be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim; and
- (iii) may submit written comments, documents, records and other information relating to the claim to the Plan Administrator for review.

(d) Subject to Department of Labor Regulation 29 C.F.R. § 2560.503-1(i)(1)(ii), a decision on review by the Plan Administrator shall be made within a reasonable period of time, but not later than 60 days after receipt by the Plan Administrator of a request for review, unless special circumstances (such as the need to hold a hearing) require an extension of time for processing, in which case the claimant shall be provided with written notice of the extension before the end of the initial 60-day period. Such notice shall describe the special circumstances requiring the extension and specify the date by which the Plan Administrator expects to render its decision. In no event shall the decision be rendered later than 120 days after receipt of the request for review.

(e) The Plan Administrator shall provide written or electronic notice of its decision with respect to the claimant's appeal which shall be written in a manner calculated to be understood by the claimant. If there is an adverse benefit determination on review, the Plan Administrator's decision shall include:

- (i) the specific reasons for the adverse benefit determination;
- (ii) specific reference(s) to pertinent provisions of the Plan on which the adverse benefit determination is based;
- (iii) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim;
- (iv) a statement describing any voluntary appeal procedures offered by the Plan and the claimant's right to receive information about any such procedures; and
- (v) a statement that the claimant has the right to bring a civil action under Section 502(a) of ERISA following the adverse benefit determination on review.

6.5 Unclaimed Benefits. If, within one year after any amount becomes payable hereunder to a Participant, Spouse, Dependent or Beneficiary and the same shall not have been claimed or any check issued under the Plan remains uncashed, provided reasonable care shall have been exercised by the Plan Administrator in attempting to make such payments, the amount thereof shall be forfeited and shall cease to be a liability of the Plan.

6.6 Right of Subrogation.

(a) Definitions. For purposes of this Section, the following definitions shall apply:

(i) Award. "Award" means any amount paid to or on behalf of a Covered Individual, from a Third Party with respect to a Covered Individual's Illness, Injury or other loss regardless of whether such amount is received as a result of a judgment of a court of competent jurisdiction, settlement, compromise or otherwise and regardless of whether such amount is categorized as punitive, compensatory, reimbursement for medical expenses, or otherwise.

(ii) Covered Individual. "Covered Individual" includes the individual for whom benefits are paid by the Plan and his or her heirs, guardians, executors or other representatives.

(iii) Injury or Illness. "Injury" or "Illness" means such term as defined in each Welfare Program.

(iv) Reimbursement. "Reimbursement" means the Plan's right to recover any and all amounts paid for medical expenses from a Covered Individual who receives any award related to the Illness, Injury or other loss that resulted in the payment of such benefits by the Plan.

(v) Subrogation. “Subrogation” means the right of the Plan to be substituted in place of any Covered Individual with respect to that Covered Individual’s lawful claim, demand, or right of action against a Third Party who may have wrongfully caused the Covered Individual’s Injury, Illness or other loss that resulted in a payment of benefits by the Plan.

(vi) Third Party. “Third Party” includes, but is not limited to, any person or entity that caused, contributed to, or may be responsible for the Injury, Illness or other loss to the Covered Individual. Third Party shall include any party, such as an insurance company, that acquires or may acquire responsibility through the actions of such person or entity, and shall also include uninsured motorist coverage.

(b) Subrogation, Reimbursement and Benefit Offsets. For any and all benefits paid by the Plan to or on behalf of a Covered Individual by reason of Illness, Injury or other loss, the Plan shall have the following rights:

(i) Subrogation to any and all rights of recovery the Covered Individual may have arising from such Injury, Illness or other loss;

(ii) Reimbursement for the amount of any and all benefits paid to or on behalf of the Covered Individual by reason of Injury, Illness or other loss with respect to which the Plan has a right to Subrogation pursuant to paragraph (i) above from any Award arising out of such Injury, Illness or other loss; and

(iii) Benefit offsets of future claims payable by the Plan on behalf of the Covered Individual or members of such Covered Individual’s immediate family to recover any and all amounts paid to or on behalf of the Covered Individual by reason of such Illness, Injury or other loss with respect to which the Plan has a right to Subrogation pursuant to paragraph (i) and a right to Reimbursement pursuant to paragraph (ii) but which have not, for any reason whatsoever, been reimbursed to or recovered by the Plan.

The Plan’s subrogation/reimbursement/benefit offset rights (herein referred to collectively as “Recovery Rights”) shall include the right to recover the amount due and owing to the Plan pursuant to its Recovery Rights from any Award paid to or for the benefit of the Covered Individual. The Plan does not recognize the “make whole” rule and a Covered Individual may not be whole after the Plan’s Recovery Rights are satisfied.

(c) Payment Prior to Determination of Responsibility of a Third Party. The Plan does not cover nor is it liable for any expenses for services or supplies incurred by a Covered Individual for any Illness, Injury or other loss which a Third Party caused, contributed to or may be responsible for to the extent that the Covered Individual receives any Award from any Third Party. However, subject to the terms and conditions of this Section, the Plan will, after receipt of an executed reimbursement/subrogation/assignment agreement on such form as the Plan Administrator may require, make advance payment of benefits in accordance with the terms of the Plan, until an Award is paid to or for the benefit of the Covered Individual by a Third Party

with respect to such Illness, Injury or loss. The terms and provisions of such reimbursement/subrogation/assignment agreement are incorporated herein by reference and any such agreement shall constitute a part of the Plan.

By accepting an advance payment of benefits from the Plan, the Covered Individual(s) jointly and severally agree that:

(i) the Plan has a priority lien against any Award paid to or on behalf of the Covered Individual to assure that Reimbursement is promptly made; and

(ii) the Plan will be subrogated to such Covered Individual's right of recovery from any Third Party to the extent of the Plan's advance payment of benefits; and

(iii) such Covered Individual(s) will, jointly and severally, reimburse the Plan out of any and all Awards paid or payable to such Covered Individual(s) by any Third Party to the extent of the Plan's advance payment of benefits for claims related to the Illness, Injury or other loss; and

(iv) such Covered Individual(s) will assign to the Plan all of their right, title and interest in and to any Award paid to or on their behalf by any Third Party to the extent of any advance payment of benefits made or to be made in accordance with the terms of the Plan.

The Plan's Recovery Rights include but are not limited to all claims, demands, actions and rights of recovery of all Covered Individuals against any Third Party, including any workers' compensation insurer or governmental agency, and will apply to the extent of any and all advance payment of benefits made or to be made by the Plan.

(d) Recovery Actions. The Plan may, at its discretion, start any legal action or administrative proceeding it deems necessary to protect its Recovery Rights, and may try or settle any such action or proceeding in the name of and with the full cooperation of the Covered Individual. However, in doing so, the Plan will not represent, or provide legal representation for, any Covered Individual with respect to such Covered Individual's damages to the extent those damages exceed any advance payment of benefits made or to be made in accordance with the terms of this Plan.

The Plan may, at its discretion, intervene in any claim, legal action, or administrative proceeding started by any Covered Individual against any Third Party on account of any alleged negligent, intentional or otherwise wrongful action that may have caused or contributed to the Covered Individual's Illness, Injury or other loss that resulted in any advance payment of benefits by the Plan.

(e) Reimbursement/Subrogation/Assignment Agreement. Prior to the advance payment of benefits for which a Third Party may be responsible, the Covered Individual on whose behalf an advance payment of benefits may be payable must execute and deliver any and all agreements, instruments and papers requested by or on behalf of the Plan including an executed

reimbursement/subrogation/assignment agreement or such other form as the Plan Administrator may require. The failure of a Covered Individual to execute any such reimbursement/subrogation/assignment agreement or such other form as the Plan Administrator may require, for any reason, shall not waive, compromise, diminish, release, or otherwise prejudice any of the Plan's Recovery Rights if the Plan, at its discretion, makes an advance payment of benefits for any reason in the absence of a reimbursement/subrogation/assignment agreement.

(f) Administrative Procedure. The Plan's standard administrative procedure will be to determine whether a Third Party could be held liable for a claim. Claims will not be paid until this determination is made. If it is determined that the claim may be the responsibility of a Third Party for any reason, the Plan will not process any claims without a properly signed reimbursement/subrogation/assignment agreement as described in this Section.

(g) Cooperation with the Plan by All Covered Individuals. By accepting an advance payment of benefits, the Covered Individual agrees not to do anything that will waive, compromise, diminish, release or otherwise prejudice the Plan's Recovery Rights and to do whatever is necessary to protect the Plan's Recovery Rights.

By accepting an advance payment for benefits the Covered Individual agrees to notify and consult with the Plan Administrator or its designee before:

(i) starting any legal action or administrative proceeding against a Third Party based on any alleged negligent, intentional or otherwise wrongful action that may have caused or contributed to the Covered Individual's Illness, Injury or other loss that resulted in the Plan's advance payment for benefits; or

(ii) entering into any settlement agreement with a Third Party that may be related to any actions by the Third Party that may have caused or contributed to the Covered Individual's Illness, Injury or other loss that resulted in the Plan's advance payment for benefits related to such Illness, Injury or other loss.

Furthermore, by accepting an advance payment of benefits, the Covered Individual agrees to keep the Plan Administrator or its designee informed of all material developments with respect to all such claims, actions or proceedings.

The Plan's Recovery Rights are Plan assets. The Plan or its designee may institute a lawsuit against a Covered Individual if such Covered Individual does not adequately protect the Plan's Recovery Rights.

(h) All Recovered Proceeds Are to be Applied to Reimburse the Plan. By accepting an advance payment of benefits for an Illness, Injury or other loss, the Covered Individual agrees to reimburse the Plan for all such advances from any Award paid or payable to or on behalf of such Covered Individual by any Third Party. In such event, the Plan must be fully reimbursed within 31 days or the Covered Individual will be liable for interest and all costs of collection, including reasonable attorney's fees.

If a Covered Individual fails to reimburse the Plan as required by this Section, the Plan may apply any future claims for benefits that may become payable on behalf of such Covered Individual or any member of such Covered Individual's immediate family to the amount not reimbursed.

Notwithstanding anything contained in the Plan to the contrary, the Plan will not pay future benefits for claims related to an Illness, Injury or other loss with respect to which an Award was paid to or on behalf of a Covered Individual unless the Plan Administrator determines that the Award was reasonable and the subsequent claims were not recognized in the Award.

(i) Pre-Emption of State Law. To the extent that this Plan is a self-insured employee welfare benefit plan, ERISA preempts any state law purporting to limit, restrict or otherwise alter the Plan's Recovery Rights.

(j) No-Fault Insurance Coverage. Notwithstanding anything contained in the Plan to the contrary, if a Covered Individual is required to have no-fault automobile insurance coverage, the automobile no-fault insurance carrier will initially be liable for any and all expenses paid by this Plan up to the greater of:

(i) the maximum amount of basic reparation benefit required by applicable law, or

(ii) the maximum amount of the applicable no-fault insurance coverage in effect.

The Plan will, thereafter, consider any excess charges and expenses under the applicable provisions of this Plan in which the Covered Individual is provided coverage. Before related claims will be paid through the Plan, the Covered Individual will be required to sign a reimbursement/subrogation/assignment agreement or such other form as the Plan Administrator may require.

If the Covered Individual fails to secure no-fault insurance as required by state law, the Covered Individual is considered as being self-insured and must pay the amount of any and all expenses paid by the Plan for any and all Covered Individuals arising out of the accident.

(k) Refund of Overpayment of Benefits – Right of Recovery. If the Plan pays benefits for expenses incurred on account of a Covered Individual, the Covered Individual or any other person or organization that was paid must make a refund to the Plan if:

(i) all or some of the expenses were not paid, or did not legally have to be paid, by the Covered Individual;

(ii) all or some of the payment made by the Plan exceeds the benefits under the Plan; or

(iii) all or some of the expenses were recovered from or paid by a source other than this Plan, including another plan to which this Plan has secondary liability under the Coordination of Benefits provisions.

This may include payments made as a result of claims against a Third Party for negligence, intentional or otherwise wrongful acts or omissions. The refund shall equal the amount the Plan paid in excess of the amount it should have paid under the Plan. In the case of recovery from or payment by a source other than this Plan, the refund equals the amount of the recovery or payment up to the amount the Plan paid.

If a Covered Individual or any person or organization that was paid does not promptly refund the full amount, the Plan may reduce the amount of any future benefits that are payable under the Plan. The reductions will equal the amount of the required refund. The Plan may have other rights in addition to the right to reduce future benefits.

ARTICLE VII

Special Compliance Provisions

7.1 Use and Disclosure of Protected Health Information. (a) Any health plan under the Plan shall use protected health information (“PHI”) to the extent of and in accordance with the uses and disclosures permitted by the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”). (d) Health Care Operations. Health care operations include, but are not limited to, the following activities:

- (iii) rating provider and health plan performance, including accreditation, certification, licensing or credentialing activities;

(iv) underwriting, premium rating and other activities relating to the creation, renewal or replacement of a contract of health insurance or health benefits, and ceding, securing or placing a contract for reinsurance of risk relating to health care claims (including stop-loss insurance and excess of loss insurance);

(v) conducting or arranging for medical review, legal services and auditing functions, including fraud and abuse detection and compliance programs;

(vi) business planning and development, such as conducting cost-management and planning-related analyses related to managing and operating the health plan, including formulary development or improvement of payment methods or coverage policies; and

(vii) business management and general administrative activities of the health plan, including, but not limited to:

(A) management activities relating to the implementation of and compliance with HIPAA's administrative simplification requirements;

(B) customer service, including the provision of data analyses for policyholders, plan sponsors or other customers, provided that protected health information is not disclosed to such policyholder, plan sponsor, or customer;

(C) resolution of internal grievances; and

(D) due diligence in connection with the sale or transfer of assets to a potential successor in interest, if the potential successor in interest is a "covered entity" under HIPAA or, following completion of the sale or transfer, will become a covered entity.

(e) A health plan will use and disclose PHI as required by law and as permitted by authorization of the Participant or other covered individual. With an authorization, a health plan shall disclose PHI to pension plans, disability plans, reciprocal benefit plans, and workers' compensation insurers, for purposes related to administration of the health plan.

(f) A health plan shall disclose PHI to the Employer only upon receipt of a certification from the Employer that the health plan documents have been amended to incorporate the following provisions and that the Employer agrees to:

(i) not use or further disclose PHI other than as permitted or required by the health plan document or as required by law;

(ii) ensure that any agents, including subcontractors, to whom the Employer provides PHI received from a health plan agree to the same restrictions and conditions that apply to the Employer with respect to such PHI;

(iii) not use or disclose PHI for employment-related actions and decisions unless authorized by an individual;

(iv) not use or disclose PHI in connection with any other benefit or employee benefit plan of the Employer unless authorized by an individual;

(v) report to the health plan's designee any PHI use or disclosure that it becomes aware of which is inconsistent with the uses or disclosures provided for;

(vi) make PHI available to an individual in accordance with HIPAA's access requirements;

(vii) make PHI available for amendment and incorporate any amendments to PHI in accordance with HIPAA;

(viii) make available the information required to provide an accounting of disclosures;

(ix) make the Employer's internal practices, books and records relating to the use and disclosure of PHI received from the Plan available to the U.S. Department of Health and Human Services for the purposes of determining the health plan's compliance with HIPAA;

(x) ensure that adequate separation between the health plan and the Employer is established as required by HIPAA; and

(xi) if feasible, return or destroy all PHI received from the health plan that the Employer maintains in any form, and retain no copies of such PHI when no longer needed for the purpose for which disclosure was made (or if return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction not feasible).

(g) Only those employees or classes of employees identified in the Plan's privacy policies and procedures may have access to and use and disclose PHI for plan administration functions that the Employer performs for the health plan. If such individuals do not comply with this health plan document, the Employer shall provide a mechanism for resolving issues of noncompliance, including disciplinary sanctions.

(h) Security. The Employer shall implement security measures with respect to PHI to the extent of and in accordance with the security rules implemented by HIPAA. Specifically, the Employer shall:

(i) implement administrative, physical and technical safeguards that will reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic protected health information that it creates, receives, maintains, or transmits on behalf of the plan;

(ii) ensure the adequate separation between the Plan and the Employer is supported by reasonable and appropriate security measures;

(iii) ensure that any agent, including a subcontractor, to whom it provides information agrees to implement reasonable and appropriate security measures to protect the information (e.g., in the event the Employer provides information to the broker for renewal bids); and

(iv) report to the Plan any security incident of which it becomes aware.

7.2 Special Enrollment Rights. (a) In accordance with the HIPAA special enrollment rules, if an eligible Employee declines coverage in a group health plan for himself or herself and/or the Employee's Spouse and Dependents because of other health insurance coverage, they may be able to enroll in the Plan's group health coverage upon loss of eligibility for the other coverage, provided that the Participant requests enrollment within 30 days after the other coverage ends.

If a Participant gains a new Spouse or Dependent as a result of marriage, birth, adoption, or placement for adoption, he or she may be able to enroll himself or herself and the Participant's Spouse and Dependents in the group health Welfare Program provided that enrollment is requested within 30 days after the marriage, birth, adoption, or placement for adoption.

(b) Employees, Spouses and Dependents who are eligible but not enrolled in a group health plan listed in Appendix A may enroll when:

(i) The Employee's, Spouse's or Dependent's Medicaid or Children's Health Insurance Program ("CHIP") coverage is terminated as a result of loss of eligibility and the eligible Employee requests coverage under a group health plan listed in Appendix A within 60 days after the termination, or

(ii) The Employee, Spouse or Dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP and the eligible Employee requests coverage under a group health plan listed in Appendix A within 60 days after eligibility is determined.

The special enrollment rules of this Section 7.2 do not apply to limited scope dental or vision benefits or certain health care flexible spending accounts (e.g., health care spending accounts that limit benefits to employee salary reduction amounts).

7.3 Qualified Medical Child Support Orders. A qualified medical child support order (“QMCSO”) is an order made pursuant to state domestic relations law by a court or a state agency authorized under state law to issue child support orders which requires a group health plan to provide a child or children of an Employee with health insurance coverage. The Plan Administrator shall comply with the terms of any QMCSO it receives, and shall:

(a) Establish reasonable procedures to determine whether a medical child support order is a QMCSO as defined under Section 609 of ERISA (these procedures are available, free of charge, to Participants and Beneficiaries upon request to the Plan Administrator);

(b) Promptly notify the Participant and any alternate recipient of the receipt of a medical child support order, and the group health plan’s procedures for determining whether the medical child support order is a QMCSO; and

(c) Within a reasonable period of time after receipt of such order, determine whether such order is a QMCSO and notify the Participant and each alternate recipient of such determination.

7.4 State Medicaid Programs. Eligibility for coverage or enrollment in a state Medicaid Program shall not impact an Employee’s, Spouse’s or Dependent’s eligibility for health coverage or health benefits under the Plan.

7.5 Coverage During FMLA Leave and FFCRA Leave. A Participant on a leave of absence that qualifies as leave under the Family and Medical Leave Act of 1993 (“FMLA”) may continue to receive group health plan coverage under this Plan during such leave along with his or her eligible Spouse and Dependents as if such participant did not experience an interruption in active employment until the end of such FMLA leave period, or, if earlier, the date the Participant gives notice that he or she does not intend to return to work at the end of the FMLA period. The Participant must make any required contributions for group health plan coverage during such period in such time and manner as the Plan Administrator may require under applicable federal regulations and in accordance with the terms of any applicable Code Section 125 cafeteria plan sponsored by the Employer.

If a Participant does not continue group health coverage or other types of coverage but returns to work before the expiration of FMLA leave, he or she must be reinstated in his or her benefit coverage, including group health care coverage, at the same level and under the same conditions as if the leave had not occurred.

In addition, if the Employer has fewer than 500 employees and satisfies all applicable criteria for being subject to the Families First Coronavirus Response Act (FFCRA), it will comply with the paid leave requirements under the FFCRA, which begin on April 1, 2020, and end on Dec. 31, 2020. A Participant who takes an expanded family and medical leave or paid

sick leave under the FFCRA may continue his or her group health coverage under this Plan during the leave on the same terms as if the Participant did not take leave.

7.6 Special Rules for Maternity and Infant Coverage. Any health plan available under the Plan shall not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. The attending provider or physician, after consulting with the mother, may discharge the mother or her newborn earlier than 48 hours (or 96 hours as applicable). Notwithstanding the foregoing, the health plan and issuers may not require that a provider obtain authorization from the health plan or the issuer for prescribing the length of stay not in excess of 48 hours or 96 hours, as the case may be.

7.7 Special Rule for Women's Health. If a health benefit plan available under the Plan provides medical and surgical benefits for mastectomy procedures, it shall provide coverage for reconstructive surgery following mastectomies. This expanded coverage includes reconstruction of the breast on which the mastectomy has been performed, surgery and reconstruction of the other breast to produce a symmetrical appearance, and prostheses and treatment of physical complications at all stages of mastectomy, including lymphedema. These procedures may be subject to annual deductibles and coinsurance provisions that are similar to those applying to other benefits under the health benefit plan or coverage.

7.8 Military Leave.

A Participant's right to elect continued participation in a group health plan available under this Plan for himself or herself, the Participant's Spouse and Dependents during a leave of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act ("USERRA").

(a) Participants may elect to continue group health plan coverage under the Plan for a period of time that is the lesser of:

(i) the 24-month period beginning on the Participant's first day of military leave, or

(ii) the period beginning on the Participant's first day of military leave and ending on the date the Participant fails to return from military leave or apply for re-employment as required under USERRA.

(b) If a Participant's absence for military duty is less than 31 days, the Participant will be required to pay the regular employee share of the cost for group health plan coverage. If the Participant's absence is for 31 or more days, the Participant will be required to pay not more than 102% of the full cost of the group health plan coverage (and the Participant's Spouse and Dependents) under the Plan.

(c) USERRA continuation group health plan coverage is considered alternative group health plan coverage for purposes of COBRA. Therefore, if a Participant elects USERRA continuation coverage, COBRA continuation group health plan coverage shall not be available.

(d) Participants returning from military leave shall be reinstated upon re-employment, and any exclusion or waiting period shall not be imposed if such exclusion or waiting period would not have been imposed had the Participant's coverage not been terminated due to military leave. This paragraph shall not apply to illnesses or injuries determined by the Secretary of Veteran's Affairs or his or her representative to have been incurred in, or aggravated during, the performance of military service.

(e) In no event shall benefits available under this Plan during a period of USERRA qualified military leave be less generous than those benefits available during other comparable employer approved leave periods (e.g., family and medical leave).

7.9 COBRA.

(a) Legal Rights to Continuation Coverage Under the Consolidated Omnibus Budget Reconciliation Act ("COBRA"). The Employer, to the extent required by law, shall offer a Participant and/or a Spouse or dependent child who, as a result of a "qualifying event," becomes otherwise ineligible to participate in a group health plan, as defined in Section 607(l) of ERISA, under the Plan the opportunity to temporarily extend coverage under such group health plan at group rates. A domestic partner shall not be considered a Spouse for COBRA purposes and therefore shall not be entitled to COBRA continuation coverage unless otherwise required under applicable law. However, the Employer may, solely in its own discretion, and solely in the manner it determines, provide continuation coverage to domestic partners who are Plan beneficiaries.

(b) Qualifying Events.

(i) A Participant who loses group health plan coverage or for whom premium payments or contributions for coverage increase as a result of one of the following qualifying events, shall be eligible for COBRA continuation coverage.

(A) A reduction of the Participant's hours of employment;

(B) The Participant's voluntary or involuntary termination of employment for reasons other than gross misconduct; or

(C) Upon the Employer's bankruptcy petition under Title XI of the Bankruptcy Act, if the Participant is a retired employee.

(ii) A Spouse who loses group health plan coverage or for whom premium payments or contributions for coverage increase as a result of one of the following qualifying events, shall be eligible for COBRA continuation coverage.

(A) The Participant's voluntary or involuntary termination of employment for reasons other than gross misconduct, or reduction of hours of employment;

(B) The death of the Participant;

(C) The divorce or legal separation of the Participant and Spouse;

(D) Enrollment in Medicare (Part A or B) by the Participant; or

(E) The Employer's bankruptcy petition under Title XI of the Bankruptcy Act, if the Participant is retired.

(iii) A Participant's dependent child who loses group health plan coverage or for whom premium payments or contributions for coverage increase as a result of one of the following events, shall be entitled to COBRA continuation coverage.

(A) The loss of Dependent status under the group health plan;

(B) The Participant's voluntary or involuntary termination for reasons other than gross misconduct, or the Participant's reduction of hours of employment;

(C) The death of the Participant;

(D) The divorce or legal separation of the Participant and Spouse;

(E) Enrollment in Medicare (Part A or B) by the Participant; or

(F) The Employer's bankruptcy petition under Title XI of the Bankruptcy Act, if the Participant is retired.

(c) Qualified Beneficiary. A Qualified Beneficiary is a Participant, Spouse, or dependent child who on the day before a qualifying event is covered under a group health plan available under the Plan. Qualified Beneficiary includes children born to, adopted by, or placed for adoption with the Participant during his or her COBRA continuation coverage period. Such child's coverage period shall be determined according to the date that the Participant's COBRA continuation coverage period began. A domestic partner is not a Qualified Beneficiary for

COBRA purposes and therefore shall not be entitled to COBRA continuation coverage as described in this Article VII unless otherwise required under applicable law.

(d) Notices. A Qualified Beneficiary who wishes to receive COBRA continuation coverage as a result of divorce or legal separation must notify the Plan Administrator within 60 days after such divorce or legal separation. A Qualified Beneficiary who wishes to receive COBRA continuation coverage as a result of the loss of Dependent status under the group health plan available under the Plan must notify the Plan Administrator within 60 days of such loss of Dependent status.

The Qualified Beneficiary shall be notified of his or her right to elect continuation coverage and the cost to do so. Continuation coverage must be elected within 60 days after the later of the date coverage under the group health plan available under the Plan ceases or the date the Qualified Beneficiary is notified of the right to elect continuation coverage.

If the Qualified Beneficiary does not elect continuation coverage, coverage under the group health plan available under the Plan shall cease. If the Qualified Beneficiary chooses continuation coverage, such group health plan shall provide coverage identical to that available to similarly situated active employees, including the opportunity to choose among options available during an open enrollment period.

(e) Cost. The Qualified Beneficiary must pay the full cost of such coverage to the Plan for a similarly situated active employee. The Plan may charge a 2% administrative fee. The COBRA premium may increase to 150% of the total premium during a disability extension as described in paragraph (f)(iv).

(f) Maximum Continuation Period.

(i) A Qualified Beneficiary who loses group health plan coverage available under the Plan as a result of the death of the Participant, the Participant's eligibility for Medicare, divorce, legal separation or loss of Dependent status under such group health plan and elects COBRA continuation coverage shall be entitled to receive up to 36 months of COBRA continuation coverage beginning on the date on which the qualifying event occurred.

(ii) A Qualified Beneficiary who loses group health plan coverage as a result of the Participant's termination of employment or reduction of hours and elects COBRA continuation coverage shall be entitled to receive up to 18 months of COBRA continuation coverage beginning on the date on which the qualifying event occurred. If a second qualifying event occurs during such 18-month period, the COBRA continuation coverage period may be extended by an additional 18 months for each Qualified Beneficiary (other than a covered Employee). The Qualified Beneficiary must notify the Plan Administrator within 60 days of a second qualifying event to receive the additional 18 months of continuation coverage. A second qualifying event is an event that occurs during the initial 18-month period that would have resulted in a loss of group health plan coverage for the Qualified Beneficiary in the absence of

the first qualifying event. In no event, however, shall any Qualified Beneficiary's COBRA continuation coverage period exceed 36 months.

(iii) A Qualified Beneficiary (other than the Participant) who loses group health plan coverage as a result of the Participant's termination of employment or reduction of hours and such event occurs within 18 months following the Participant's enrollment in Medicare, shall be entitled to receive up to 36 months of COBRA continuation coverage beginning on the date the Participant enrolled in Medicare.

(iv) If a qualifying event occurs that is the Participant's termination of employment or reduction of hours, any Qualified Beneficiary who is deemed to have been disabled, as determined by the Social Security Administration, at any time during the first 60 days of COBRA continuation coverage shall be eligible to extend the COBRA continuation coverage period to 29 months. In the case of a child born to or adopted by a Participant during the Participant's COBRA continuation coverage period, such 60-day period will begin from the date of birth or placement of adoption. Such extension shall apply to the Qualified Beneficiary's covered family members. Such Qualified Beneficiary must notify the Plan Administrator of the disability in writing within 60 days of the date of the Social Security Administration determination and before the end of the 18-month continuation coverage period. A Qualified Beneficiary receiving extended COBRA continuation coverage due to disability must inform the Plan Administrator within 30 days of receiving a final determination that he or she is no longer disabled.

(v) In the case of a qualifying event that is the bankruptcy of the Employer, the maximum coverage period for a Qualified Beneficiary who is the retired covered employee ends on the date of the retired covered employee's death. The maximum coverage period for a Qualified Beneficiary who is the spouse, surviving spouse, or dependent child of the retired covered employee ends on the earlier of—(A) The date of the Qualified Beneficiary's death; or (B) The date that is 36 months after the death of the retired covered employee.

(g) Termination of COBRA Continuation Coverage. COBRA continuation coverage shall cease upon the occurrence of any of the following events:

(i) The Employer ceases to provide group health plan coverage to any of its employees;

(ii) The Qualified Beneficiary fails to pay the premium or required contribution within 30 days after its due date;

(iii) The Qualified Beneficiary becomes covered, after the date of the COBRA continuation coverage election, under another group health plan, including a governmental plan, that does not contain any exclusion or limitation with respect to any preexisting condition of such Qualified Beneficiary (other than an exclusion or limitation that may be disregarded under the law);

(iv) The Qualified Beneficiary becomes enrolled in Medicare after the date of the COBRA continuation coverage election;

(v) The Qualified Beneficiary has extended COBRA continuation coverage due to a disability and is subsequently determined by the Social Security Administration to be no longer disabled;

(vi) The maximum required COBRA continuation coverage period expires; or

(vii) For cause, such as fraudulent claim submission, that would result in termination of coverage for a similarly situated active employee.

(h) Second Election Period. A Participant and his or her covered family members may be eligible to elect continuation coverage during a second election period if such Participant:

(i) is receiving trade adjustment assistance benefits under the Trade Act of 2002 (or would be eligible to receive trade adjustment assistance benefits but has not exhausted unemployment benefits);

(ii) lost health coverage due to termination of employment that resulted in eligibility for trade adjustment assistance benefits under the Trade Act of 2002; and

(iii) did not elect COBRA continuation coverage during the initial COBRA election period.

The second election period is the 60-day period beginning on the first day of the month in which the Participant becomes eligible for such second election period, but only if the election is within the six-month period after the Participant initially lost coverage. COBRA continuation coverage begins on the first day of the second election period. Such coverage is not retroactive to the date the Participant initially lost coverage.

7.10 Genetic Information Nondiscrimination Act of 2008 (“GINA”). (a) Unless otherwise permitted, the Employer may not request or require any genetic information from an Employee or family member of the Employee.

(b) “Genetic information” as defined by GINA includes an individual’s family medical history, the results of an individual’s or family member’s genetic tests, the fact that an individual or an individual’s family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual’s family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

(c) The Employer shall not request any genetic information when requesting health-related information. However, with respect to any wellness program available under the

Plan, the Employer may request, but may not require, an Employee to provide genetic information in accordance with Equal Employment Opportunity Commission regulations.

(d) The Employer will not request, require or purchase genetic information in violation of GINA. If the Employer intentionally or unintentionally obtains genetic information pertaining to an Employee or a family member of the Employee, the Employer will not use such genetic information in violation of GINA. Any genetic information received by the Employer that pertains to an Employee or a family member of the Employee, shall be maintained on forms and in medical files that are separate from personnel files, and shall be treated as confidential medical records.

7.11 Health-Related Factors. The group health plan will not discriminate against any participant or dependent in terms of eligibility to participate in the plan based on a health-related factor. In addition, benefits provided under the group health plan will be available to all similarly situated individuals. Any restriction on benefits will be applied uniformly to all similarly situated individuals and may not be directed at an individual based on a health-related factor. The group health plan may (i) limit or exclude benefits that are experimental or are not medically necessary and (ii) require an individual to satisfy a deductible, copay, coinsurance, or other cost-sharing requirement in order to obtain a benefit, provided that all limits, exclusions, or cost-sharing requirements apply uniformly to all similarly situated individuals, and are not just directed at an individual based on a health-related factor.

7.12 Mental Health Parity Act. The group health plan must generally comply with the provisions of the Mental Health Parity and Addiction Equity Act of 2008, including that the group health plan's financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) that are applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits.

ARTICLE VIII

Amendment and Termination

8.1 Amendment. The Employer has the right to amend the Plan at any time, including the right to amend any of the Welfare Programs or to transfer any Welfare Program from the Plan into a separate, related plan, at the direction of an authorized officer of the Employer or an authorized designee.

8.2 Termination. The Employer has established the Plan with the bona fide intention and expectation that it will be continued indefinitely, but the Employer is not and shall not be under any obligation or liability whatsoever to maintain the Plan (or any Welfare Program) for any given length of time and may, in its sole and absolute discretion, discontinue or terminate the Plan, in whole or in part, at any time, including termination of any one or more of the Welfare Programs, at the direction of an authorized officer of the Employer or an authorized designee.

9.3 Limitation of Rights. Neither the establishment nor the existence of the Plan, nor any modification thereof, shall operate or be construed as to:

(b) create a contract of employment with any Employee, obligate the Employer (or Participating Employer) to continue the service of any Employee, or affect or modify the terms of an Employee's employment in any way.

Exclusive jurisdiction and venue of all disputes arising out of or relating to this Plan or any of the Welfare Programs shall be in any court of appropriate jurisdiction in the state of Texas.

9.5 Severability. If any provision of the Plan is held invalid or unenforceable, its invalidity or unenforceability shall not affect any other provision of the Plan, and the Plan shall be construed and enforced as if such invalid or unenforceable provision had not been included herein.

9.6 Construction. The captions contained herein are inserted only as a matter of convenience and reference, and in no way define, limit, enlarge or describe the scope or intent of the Plan, nor in any way shall affect the Plan or the construction of any provision thereof. Any terms expressed in the singular form shall be construed as though they also include the plural, where applicable, and references to the masculine, feminine, and the neuter are interchangeable.

9.7 Titles. The titles of the Articles and Sections hereof are included for convenience only and shall not be construed as part of the Plan or in any respect affecting or modifying its

To the extent required by applicable law under the Patient Protection and Affordable Care Act ("ACA"), for certain companies with 50 or more full-time Employees, the number of hours worked to obtain full-time status for group health plan coverage purposes will be determined in accordance with certain measurement rules adopted by the Employer for all Employees (including variable hour and seasonal employees, if such classes exist within the Employer). A temporary Employee is not eligible for coverage if he or she is eligible for health coverage through a leasing company, unless otherwise

required by the ACA and the Employer. Determination of full-time Employee status will be made by the Plan Administrator, in its sole and absolute discretion, in accordance with the Plan and the applicable Employer Shared Responsibility provisions of the ACA and its accompanying regulations. This eligibility information is available upon request to the Plan Administrator.

Under ERISA, the Plan Administrator of the group health plan may have fiduciary responsibilities regarding distribution of dividends, demutualization and use of the Medical Loss Ratio rebates from group health insurers. Some or all of any rebate may be an asset of the plan, which must be used for the benefit of the participants covered by the policy. Participants should contact the Plan Administrator directly for information on how the rebate will be used.

ENROLLING IN THE PLAN

The Plan Administrator will establish procedures in accordance with each type of coverage for the enrollment of eligible Employees, their Spouses or Dependents, if any, and will communicate these procedures to eligible Employees. The Plan Administrator will prescribe enrollment forms that must be completed by a prescribed deadline prior to commencement of coverage under the Plan.

DISCRIMINATION BASED ON HEALTH-RELATED FACTORS PROHIBITED

A federal law, the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) prohibits health plans from discriminating against any participant or dependent in terms of eligibility to participate in the Plan based on a health-related factor. Accordingly, benefits provided under your Plan will be available to all similarly situated individuals. Any restriction on benefits will be applied uniformly to all similarly situated individuals and may not be directed at an individual based on a health-related factor. The Plan may (i) limit or exclude benefits that are experimental or are not medically necessary and (ii) require an individual to satisfy a deductible, copay, coinsurance, or other cost-sharing requirement in order to obtain a benefit, provided that all limits, exclusions, or cost-sharing requirements apply uniformly to all similarly situated individuals, and are not just directed at an individual based on a health-related factor.

HIPAA PRIVACY ISSUES

HIPAA also requires that health plans protect the confidentiality of your private health information. A complete description of your rights under HIPAA can be found in the Plan’s Privacy Notice or, if appropriate, in the privacy notice provided by the insurer. To obtain a copy of the privacy notice, contact the insurer or, if you have questions or complaints about the privacy of your health information, contact the Plan Administrator.

Neither this Plan nor the Employer will use or further disclose information that is protected by HIPAA (“protected health information”) except as necessary for treatment, payment, health plan operations and plan administration, or as permitted or required by law. By law, the Plan has required all of its business associates to also observe HIPAA’s privacy rules. In particular, the Plan will not, without authorization, use or disclose protected health information for employment-related actions and decisions or in connection with any other benefit or employee benefit plan of the Employer.

Under HIPAA, you have certain rights with respect to your protected health information, including certain rights to see and copy the information, receive an accounting of certain disclosures of the information and, under certain circumstances, amend the information. You also have the right to file a complaint with the Plan, your insurer, or with the Secretary of the U.S. Department of Health and Human Services if you believe your rights under HIPAA have been violated.

SPECIAL ENROLLMENT RIGHTS

If you are declining enrollment for yourself, your Spouse or Dependents because of other health insurance or group health plan coverage, you may be able to enroll yourself and your Spouse and Dependents in this plan if you or your Spouse or Dependents lose eligibility for that other coverage (or if the Employer stops contributing towards your or your Spouse's or Dependents' other coverage). However, you must request enrollment within 30 days after your or your Spouse's or Dependents' other coverage ends (or after the Employer stops contributing toward the other coverage).

In addition, if you have a new Spouse or Dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your Spouse and Dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

If you or your Spouse or Dependents are eligible, but not enrolled, in the Group Medical Plan listed in Appendix A you may enroll when:

- Medicaid or Children's Health Insurance Program ("CHIP") coverage is terminated as a result of loss of eligibility and you request coverage under the Group Medical Plan listed in Appendix A within 60 days after the termination, or
- You or your Spouse or Dependent become eligible for a premium assistance subsidy under Medicaid or CHIP and you request coverage under the Group Medical Plan listed in Appendix A within 60 days after eligibility is determined.

The special enrollment rules do not apply to limited scope dental or vision benefits or certain health care flexible spending accounts (*e.g.*, spending accounts that limit benefits to employee salary reduction amounts).

To request special enrollment or obtain more information, contact the Plan Administrator.

QUALIFIED MEDICAL CHILD SUPPORT ORDERS

A qualified medical child support order ("QMCSO") is an order made pursuant to state domestic relations law by a court or a state agency authorized under state law to issue child support orders which requires a group health plan to provide coverage to a child or children of an Employee. The Plan Administrator shall comply with the terms of any QMCSO it receives, and shall:

- (a) Establish reasonable procedures to determine whether a medical child support order is a QMCSO (these procedures are available, free of charge, to Participants and Beneficiaries upon request to the Plan Administrator);

- (b) Promptly notify the Employee and the child (or child's guardian) of the receipt of any medical child support order, and the group medical plan's procedures for determining whether a medical child support order is a QMCSO; and
- (c) Within a reasonable period of time after receipt of such order, determine whether such order is a QMCSO and notify the Employee and the child of such determination.

STATE MEDICAID PROGRAMS

Eligibility for coverage or enrollment in a State Medicaid Program will not impact your eligibility or a Spouse's or Dependent's in this Plan. Payment of benefits shall be in accordance with any assignment of rights as required by any State Medicaid Program.

If a Welfare Program available under this Plan contains provisions regarding coordination of benefits with State Medicaid Programs, the language in the written materials for such Welfare Program will govern unless the language fails to comply with applicable laws and regulations.

SPECIAL RULES FOR MATERNITY AND INFANT COVERAGE

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the attending provider or physician, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing the length of stay not in excess of 48 hours or 96 hours, as the case may be.

SPECIAL RULE FOR WOMEN'S HEALTH COVERAGE

The Women's Health and Cancer Rights Act of 1998 requires group health plans, insurance issuers and HMOs who already provide medical and surgical benefits for mastectomy procedures to provide insurance coverage for reconstructive surgery following mastectomies. This expanded coverage includes (i) reconstruction of the breast on which the mastectomy has been performed, (ii) surgery and reconstruction of the other breast to produce a symmetrical appearance, and (iii) prostheses and treatment of physical complications at all stages of mastectomy, including lymphedema. These procedures may be subject to annual deductibles and coinsurance provisions that are similar to those applying to other benefits under the plan or coverage. For answers to specific questions regarding your particular health plan's policy, contact the Plan Administrator.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008

The Genetic Information Nondiscrimination Act of 2008 ("GINA") protects employees against discrimination based on their genetic information. Unless otherwise permitted, your Employer may not request or require any genetic information from you or your family members.

MENTAL HEALTH PARITY

The Mental Health Parity and Addiction Equity Act of 2008 generally requires group health plans and health insurance issuers to ensure that financial requirements (such as co-pays and deductibles) and treatment limitations (such as annual visit limits) applicable to mental health or substance use disorder benefits are no more restrictive than the predominant requirements or limitations applied to substantially all medical/surgical benefits.

HEALTH COVERAGE DURING FAMILY AND MEDICAL LEAVE OR SICK LEAVE

If your Employer has at least 50 employees employed within 75 miles of your worksite and you take an approved unpaid leave of absence that qualifies as family and medical leave under the Family and Medical Leave Act of 1993 (FMLA), you may generally continue to receive group health coverage for yourself and your covered Spouse and Dependents. Coverage will terminate at the end of your FMLA leave period if you do not return from leave, or on the date you give notice that you will not be returning from FMLA leave, and you may then be eligible for COBRA continuation coverage (as described below). To receive group health plan coverage during unpaid FMLA leave, you must continue to pay your share of the premium. You should contact the Plan Administrator to make arrangements for premium payments during unpaid FMLA leave. If you do not continue your group health plan coverage or other types of coverage during unpaid FMLA leave, your coverages will be reinstated when you return from FMLA leave. For additional information about Plan coverage during FMLA leave, contact the Plan Administrator.

In addition, if your Employer has fewer than 500 employees, it may be subject to new paid leave requirements under the federal Families First Coronavirus Response Act (FFCRA). The FFCRA provides eligible employees with expanded family and medical leave and paid sick leave for specified reasons related to COVID-19. These new leave requirements begin on April 1, 2020, and end on Dec. 31, 2020. If you take expanded family and medical leave or paid sick leave under the FFCRA, your group health benefits under this Plan will continue on the same terms as if you did not take leave.

Additional family and medical leave or sick leave rights may apply under state law. Please contact the Plan Administrator for further information.

UNIFORMED SERVICES REEMPLOYMENT RIGHTS

Your right to continued participation in a group health plan during leaves of absence for active military duty is protected by the Uniformed Services Employment and Reemployment Rights Act (“USERRA”). Accordingly, if you are absent from work due to a period of active duty in the military you may elect to continue your group health plan coverage. If you are absent for less than 31 days, you will pay the regular employee share of the cost of the health coverage. If the absence is for 31 or more days, the cost of continuation coverage may not exceed 102% of the full cost of your health coverage.

Continuation coverage will terminate on the earlier of:

- The last day of the 24 month period beginning on the first day of military leave, or

- The date you fail to apply for reemployment, as required under USERRA, after returning from military leave.

USERRA continuation coverage is considered alternative coverage for purposes of COBRA. Therefore, if you elect USERRA continuation coverage, COBRA coverage will generally not be available.

Benefits during a period of military leave must be as generous as benefits available to similarly situated employees on other employer-approved leaves of absence (*e.g.*, family and medical leave).

COBRA CONTINUATION COVERAGE

Under a federal law called COBRA (“Consolidated Omnibus Budget Reconciliation Act”), group health plans of most employers with 20 or more employees are generally required to offer covered Employees, their covered Spouses and Dependents the opportunity to make separate elections to extend group health coverage temporarily at group rates after coverage under the Plan would otherwise cease. This extension is called COBRA continuation coverage. Evidence of your good health is not required for this extension. Domestic partners should contact the Plan Administrator to discuss eligibility for continuation coverage.

As an Employee covered under the Plan, you may have the right to elect COBRA continuation coverage if you lose health coverage (or premium payments or contributions for health coverage increase) because:

- Your hours of employment are reduced;
- Your employment is terminated for reasons other than gross misconduct; or
- The Employer starts bankruptcy proceedings under Title XI, if you are a retired employee.

Your Spouse may elect continuation health coverage if he or she loses health coverage (or premium payments or contributions for health coverage increase) under the Plan because:

- Your employment is terminated for reasons other than gross misconduct, or your hours of employment are reduced;
- You die;
- You divorce or become legally separated;
- You become enrolled in Medicare (Part A or B); or
- The Employer starts bankruptcy proceedings under Title XI, and you are retired.

Your dependent child may continue health coverage if he or she loses health coverage (or premium payments or contributions for health coverage increase) under the Plan because:

- He or she loses Dependent status under the Plan;
- Your employment is terminated for reasons other than gross misconduct, or your hours of employment are reduced;
- You die;

- You and your Spouse divorce or become legally separated;
- You become enrolled in Medicare (Part A or B); or
- The Employer starts bankruptcy proceedings under Title XI, and you are retired.

A child born to, adopted by, or placed for adoption with the covered Employee during the continuation coverage period may also be entitled to elect COBRA continuation coverage. Such child's coverage period will be determined according to the date of the qualifying event that gave rise to the covered Employee's COBRA coverage. You must notify the Plan Administrator within 30 days and provide supporting documentation.

Under COBRA, you (or your Spouse or dependent child, if applicable) must notify the Plan Administrator by filing a Change of Status notice with the Plan Administrator within 60 days after:

- You and your Spouse are divorced or legally separated; or
- One of your children loses Dependent status under the Plan.

You (or your Spouse or dependent child, if applicable) will then be notified of the right to elect continuation health coverage and the cost to do so. The deadline for electing continuation health coverage is 60 days after the date the Plan ceases to cover you or your Spouse or dependent child, or 60 days from the date you, your Spouse, or dependent child are notified of your COBRA election rights, whichever is later.

If you (or your Spouse or dependent children, if applicable) do not elect continuation coverage, your health coverage will stop. If you (or your Spouse or dependent children, if applicable) choose continuation health coverage, the Plan will provide health coverage identical to that available to similarly situated active employees, including the opportunity to choose among options available during an open enrollment period. However, you (or your Spouse or dependent child, if applicable) must pay for this coverage. The COBRA premium will not exceed 102% of the total premium paid by you and your Employer for that level of coverage. There is a grace period of at least 30 days for payment of the regularly scheduled premium.

If the original qualifying event causing the loss of health coverage was the death of the Employee, divorce, legal separation, Medicare entitlement, or loss of "dependent status" of a dependent child under the Plan, then each qualified beneficiary will have the opportunity to elect 36 months of continuation coverage from the date of the qualifying event. If you (or your Spouse or dependent child, if applicable) lose health coverage under the Plan because your employment was terminated or your hours of employment were reduced (and not immediately followed by termination of employment), then the maximum continuation period will be 18 months from the date of the qualifying event. (If coverage is lost at a date later than the date of the qualifying event and the Plan measures the maximum coverage period and notice period from the date of health coverage loss, then the maximum continuation period will be 18 months from the date of health coverage loss.) If during those 18 months, another qualifying event takes place that entitles your Spouse (or dependent child, if applicable) to continuation health coverage, your Spouse's continuation coverage (or dependent child's continuation coverage, if applicable) may be extended by another 18 months. You must make sure that the Plan Administrator/COBRA Administrator is notified of the second qualifying event within 60 days of the second qualifying event. In no event will your Spouse's health continuation coverage (or your

dependent child's health continuation coverage, if applicable) extend for more than a total of 36 months from the date of the initial event. If your covered Spouse and/or dependent child lose coverage due to your termination of employment (for reasons other than gross misconduct) or reduction in hours and such loss occurs within 18 months after you enroll in Medicare, then the maximum continuation coverage period for your Spouse and dependent child shall be 36 months from the date you enrolled in Medicare.

Disability is a special issue. If the Social Security Administration determines that you (or your Spouse or dependent child, if applicable) are disabled at any time during the first 60 days of the continuation health coverage period, or in the case of a child born to, adopted by or placed for adoption with a covered Employee during a COBRA coverage period, during the first 60 days after a child's birth, adoption or placement for adoption, then your continuation coverage period as well as your Spouse's and any Dependent's continuation periods may be extended from 18 months to 29 months. The Employer may charge up to 150% of the total premium paid by you and the Employer during this extended period. To qualify, you (or your Spouse or dependent child, if applicable) must notify the Plan Administrator in writing within 60 days of the date of the Social Security Administration determination and during the initial 18 month continuation coverage period. Your written notice must include your name, Social Security Number, and indicate you have continuation coverage under the Plan. If there is a final determination that the qualified beneficiary is no longer disabled, the Plan Administrator must be notified within 30 days of the determination by the qualified beneficiary, and any health coverage extended beyond the maximum that would otherwise apply will be terminated for all qualified beneficiaries.

In certain circumstances, bankruptcy under Title XI of the Employer will entitle you to continuation health coverage. If the qualifying event causing the loss of health coverage was the bankruptcy of the Employer under Title XI, then each covered retired employee will have the opportunity to receive continuation health coverage until the death of the covered retired employee. Covered spouses, surviving spouses and dependents of the covered retired employee will have the opportunity to elect continuation health coverage for a period that will terminate 36 months following the death of the retired employee or upon the death of the qualified beneficiary, whichever is earlier.

Your right to continuation health coverage (or your Spouse's or dependent child's right, if applicable) under COBRA ends if:

- The Employer ceases to provide group health coverage to any of its employees;
- You (or your Spouse or dependent child, if applicable) fail to pay the premium within 30 days after its monthly due date;
- You (or your Spouse or dependent child, if applicable) become covered, after the date of your COBRA election, under another group health plan, including a governmental plan, that does not contain any exclusion or limitation with respect to any preexisting condition of such qualified beneficiary (other than an exclusion or limitation that may be disregarded under the law);
- You (or your Spouse or dependent child, if applicable) become entitled to Medicare after the date of the COBRA election;

- You (or your Spouse or dependent child, if applicable) have extended continuation coverage due to a disability and then you are determined by the Social Security Administration to be no longer disabled;
- The maximum required COBRA continuation period expires; or
- For such cause, such as fraudulent claim submission, that would result in termination of coverage for similarly situated active employees.

In order to protect your family's rights, you should keep the Plan Administrator/COBRA Administrator informed of any changes in the addresses of your family members. You should also keep a copy of any notices you send the Plan or COBRA Administrator.

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

Additional continuation rights may apply under state law. Please contact the Plan Administrator for further information.

CLAIMS PROCEDURES FOR THE PLAN

Except as provided below, claims for benefits under each Plan that is either insured or self-insured will be reviewed in accordance with procedures contained in the policies, contracts, summary plan descriptions or other written materials for such Plan benefits. All other general claims or requests should be directed to the Claims Administrator. If a claim under the Plan is denied in whole or in part, the Claims Administrator will notify you or your beneficiary in writing of such denial within 90 days of receipt of the claim. (This period may be extended to 180 days under certain circumstances.) The notification will include the reasons for the denial, with reference to the specific provisions of the Plan on which the denial was based, a description of any additional information needed to process the claim and an explanation of the claims review procedure. Within 60 days after receipt of a notice of denial, you or your beneficiary may submit a written request for reconsideration of the application to the Claims Administrator.

Any such request should be accompanied by documents or records in support of your appeal. You or your beneficiary may review pertinent documents and submit issues and comments in writing. The Claims Administrator will review the claim and provide, within 60 days, a written response to the appeal. (This period may be extended to 120 days under certain circumstances.) In this response, the Claims Administrator will explain the reason for the decision, with specific reference to the provisions of the Plan on which the decision is based. The Claims Administrator has the exclusive right to interpret the provisions of the Plan. Decisions of the Claims Administrator are final, conclusive and binding.

CLAIMS PROCEDURE FOR BENEFITS BASED ON DETERMINATION OF DISABILITY

The following claims procedure shall apply specifically to claims made under the Plan for benefits based on a determination of disability. To the extent that this procedure is inconsistent with the claims procedure contained in the policies, contracts, summary plan descriptions or other written materials for such plans, the claims procedure in the other policies, contracts, summary plan descriptions, or other written materials shall supersede this procedure as long as such other claims procedure complies with Department of Labor Regulations.

If a claim under the Plan for a benefit based on a determination of disability is denied in whole or in part, you or your beneficiary will receive written notification regarding the claim denial. This claim denial will include the reasons for the denial, reference to the Plan provision supporting the denial, and a description of the Plan's appeals procedures. The discussion of the claim denial will also include:

- if applicable, an explanation for disagreeing with or not following the views of health care professionals or vocational experts, or with a disability benefit determination made by the Social Security Administration;
- the internal rules, guidelines, protocols, standards, or other similar criteria of the Plan that were relied upon in denying the claim (or a statement that such rules, guidelines, protocols, standards, or other similar criteria do not exist); and
- a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the claimant's claim for benefits; and, if applicable, an explanation of the scientific or clinical judgment for the determination, applying the terms of the plan to the claimant's medical circumstances (or a statement that such explanation will be provided free of charge upon request).

You will receive a benefit denial notice within a reasonable period of time, but no later than 45 days after the Claims Administrator's receipt of the claim. The Claims Administrator may extend this period for up to 30 additional days provided the Claims Administrator determines that the extension is necessary due to matters beyond the Claims Administrator's control and the claimant is notified of the extension before the end of the initial 45-day period and is also notified of the date by which the Claims Administrator expects to render a decision. The 30-day extension can be extended by an additional 30 days if the Claims Administrator determines that, due to matters beyond its control, it cannot make the decision within the original extended period. In that event, you will be notified before the end of the initial 30-day extension of the circumstances requiring the extension and the date by which the Claims Administrator expects to render a decision.

The extension notice will explain the standards on which your entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information, if any, you must submit. If you must provide additional information, you will be provided with at least 45 days to provide the additional information. The period from which you are notified of the additional required information to the date you respond is not counted as part of the determination period.

You have 180 days to appeal an adverse benefit determination. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information

relevant to your claim for benefits. You will be notified of the Claims Administrator's decision upon review within a reasonable period of time, but no later than 45 days after the Claims Administrator receives your appeal request.

The 45-day period may be extended for an additional 45-day period if the Claims Administrator determines that special circumstances (such as the need to hold a hearing) require an extension of time. You will be provided with written notice prior to the expiration of the initial 45-day period. Such notice will state the special circumstances requiring the extension and the date by which the Claims Administrator expects to render a decision.

CLAIMS PROCEDURES FOR GROUP HEALTH PLANS

The following claims procedures shall apply specifically to claims made under any group health plan under this Plan. To the extent that these procedures are inconsistent with the claims procedures contained in the policies, contracts, summary plan descriptions or other written materials for the group health plan, the claims procedures in such other policies, contracts, summary plan descriptions, or other written materials shall supersede these procedures as long as such other claims procedures comply with Department of Labor Regulations 29 C.F.R. §§ 2560.503-1 and 2590.715-2719, as applicable to the Plan.

BENEFIT DETERMINATIONS

Post-Service Claims

Post-Service Claims are those claims that are filed for payment of benefits after health care has been received. If your Post-Service Claim is denied, you will receive a written notice from the Claims Administrator within 30 days of receipt of the claim, as long as all needed information was provided with the claim. The Claims Administrator will notify you within this 30 day period if additional information is needed to process the claim, and may request a one-time extension not longer than 15 days and pend your claim until all information is received.

Once notified of the extension, you then have 45 days to provide this information. If all of the needed information is received within the 45-day time frame and the claim is denied, the Claims Administrator will notify you of the denial within 15 days after the information is received. If you don't provide the needed information within the 45-day period, your claim will be denied.

A denial notice will explain the reason for denial, refer to the part of the group health plan on which the denial is based, and provide the claim appeal procedures.

Pre-Service Claims

Pre-Service Claims are those claims that require certification or approval prior to receiving health care. If your claim was a Pre-Service Claim, and was submitted properly with all needed information, you will receive written notice of the claim decision from the Claims Administrator within 15 days of receipt of the claim. If you filed a Pre-Service Claim improperly, the Claims Administrator will notify you of the improper filing and how to correct it within 5 days. After

reviewing the revised Pre-Service Claim, the Claims Administrator will notify you of any additional information needed within 15 days, and may request a one-time extension not longer than 15 days and pend your claim until all information is received. Once notified of the extension, you then have 45 days to provide this information. If all of the needed information is received within the 45-day time frame, the Claims Administrator will notify you of the determination within 15 days after the information is received. If you don't provide the needed information within the 45-day period, your claim will be denied. A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

Urgent Care Claims

Urgent Care Claims are those claims that require notification or approval prior to receiving medical care, where a delay in treatment could seriously jeopardize your life or health or the ability to regain maximum function or, in the opinion of a doctor with knowledge of your health condition could cause severe pain. In these situations:

- You will receive notice of the benefit determination in writing or electronically as soon as possible, but not later than 72 hours after the Claims Administrator receives all necessary information, or such other timeframe as required under federal law, taking into account the seriousness of your condition.
- Notice of denial may be oral with a written or electronic confirmation to follow within 3 days.
- If you filed an Urgent Care Claim improperly, the Claims Administrator will notify you of the improper filing and how to correct it within 24 hours after the Urgent Care Claim was received. If additional information is needed to process the claim, the Claims Administrator will notify you of the information needed within 24 hours after the claim was received. You then have 48 hours to provide the requested information.

You will be notified of a determination no later than 48 hours after:

- The Claims Administrator's receipt of the requested information; or
- The end of the 48-hour period within which you were to provide the additional information, if the information is not received within that time.

A denial notice will explain the reason for denial, refer to the part of the Plan on which the denial is based, and provide the claim appeal procedures.

Concurrent Care Claims

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and your request to extend the treatment is an Urgent Care Claim as defined above, your request will be decided as soon as possible, and the Claims Administrator will notify you of the determination within 24 hours after receipt of the claim, provided your request is made at least 24 hours prior to the end of the approved treatment. If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an Urgent Care Claim and decided according to the timeframes described above.

If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new claim and decided according to post-service or pre-service timeframes, whichever applies.

Claim Denial Notices

If your claim for benefits is denied in whole or in part, you or your beneficiary will receive notification regarding the claim denial within the applicable time period described above. This denial notice will include the reasons for the denial, reference to the Plan provision supporting the denial, a description of the Plan's appeals procedures and other relevant information regarding the claim decision.

How to Appeal a Claim Decision

If you disagree with a claim determination after following the above steps, you can contact the Claims Administrator in writing to formally request an appeal. If the appeal relates to a claim for payment, your request should include:

- The patient's name.
- The plan identification number.
- The date(s) of health care service(s).
- The provider's name.
- The reason(s) you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your first appeal request must be submitted to the Claims Administrator within 180 days after you receive the claim denial.

Appeal Process

A qualified individual who was not involved in the decision being appealed will be appointed to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a health care professional with appropriate expertise in the field who was not involved in the prior determination. The Claims Administrator may consult with, or seek the participation of, medical experts as part of the appeal resolution process. By filing an appeal, you consent to this referral and the sharing of pertinent health claim information. Upon request and free of charge you have the right to reasonable access to and copies of, all documents, records, and other information relevant to your claim for benefits.

APPEALS DETERMINATIONS

Pre-Service and Post-Service Claim Appeals

You will be provided with written or electronic notification of the decision on your appeal as follows:

For appeals of Pre-Service Claims (as defined above), the first level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 15 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 15 days from receipt of a request for review of the first level appeal decision.

For appeals of Post-Service Claims (as defined above), the first level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 30 days from receipt of a request for appeal of a denied claim. The second level appeal will be conducted and you will be notified by the Claims Administrator of the decision within 30 days from receipt of a request for review of the first level appeal decision.

For procedures associated with Urgent Care Claims, see “Urgent Care Claim Appeals” below.

If you are not satisfied with the first level appeal decision of the Claims Administrator, you have the right to request a second level appeal from the Claims Administrator. Your second level appeal request must be submitted to the Claims Administrator within 60 days from receipt of the first level appeal decision.

Please note that the Claims Administrator’s decision is based only on whether or not benefits are available under the Plan for the proposed treatment or procedure. The determination as to whether the pending health service is necessary or appropriate is between you and your doctor.

Urgent Care Claim Appeals

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health or the ability to regain maximum function or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your doctor should call the Claims Administrator as soon as possible.
- The Claims Administrator will provide you with a written or electronic determination as soon as possible, but not later than 72 hours following receipt of your request for review of the determination, taking into account the seriousness of your condition.

The Claims Administrator has the exclusive right to interpret and administer the provisions of the Plan. The Claims Administrator’s decisions are conclusive and binding.

External Review

If you exhaust all internal appeals procedures, have been denied continued coverage for an ongoing course of treatment or have an urgent care claim, you may be entitled to an external review of your claim. Please consult the Plan Administrator or Claims Administrator for further details.

SUBROGATION/REIMBURSEMENT

If you file a claim for benefits for medical expenses you have incurred which may be the responsibility of a third party, you may be required to reimburse the Plan from any recovery you receive. For example, if you are injured in an automobile accident which is not your fault, you may have to repay the Plan for the health benefits you collect from the third party responsible for the accident, or from his or her insurance company, or anyone else from which you receive payment for the accident. You must notify the Plan of any claim you may have against any third party as soon as you become aware of the claim, you must sign any subrogation/reimbursement agreement requested by the Plan, and you must cooperate with the Plan in all attempts to collect from the third party. This means that the Plan has the right to act on your behalf in pursuing payment from the third party.

For additional information about subrogation/reimbursement, contact the Plan Administrator.

PLAN AMENDMENT OR TERMINATION

The Employer expects to maintain the Plan indefinitely but reserves the right to amend or terminate the Plan if the Employer believes the situation so requires. If you have elected to participate in the Plan, you will be notified in writing if there is any significant amendment or if the Plan is terminated. If the Plan is terminated, the Employer will cease deducting contributions from your salary to pay for Welfare Programs. However, all previous salary deductions will be used to pay for Welfare Programs that you have elected.

CIRCUMSTANCES THAT MAY CAUSE LOSS OF BENEFITS

The Plan contains numerous restrictions on the type and amount of benefits payable and the circumstances when paid. You should review the benefits booklets and other relevant materials for further information. You may lose coverage under the Plan if the Employer terminates the Plan or amends it to reduce or eliminate your coverage. You may forfeit the right to benefits if, among other things:

- You revoke your election to participate;
- You terminate employment with the Employer;
- You fail to make required contributions;
- You fail to file benefits claims on a timely basis;
- You make fraudulent benefit claims;
- You cease to be an eligible Employee; or
- The Plan terminates.

RESPONSIBILITY FOR GOODS/SERVICES

The Employer does not guarantee and is not responsible for the nature or quality of the goods or services provided through any health care provider or program because these goods and services are provided by personnel and agencies outside of the control of the Employer.

NO GUARANTEE OF EMPLOYMENT

The Plan is not an employment contract. Nothing contained in this document nor the benefits booklet gives you the right to be retained in the service of the Employer or interferes with the right of the Employer to discharge you or to terminate your service at any time.

STATEMENT OF ERISA RIGHTS

As a Participant in the Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (“ERISA”). ERISA provides that all Plan Participants shall be entitled to:

Receive Information About Your Plan and Benefits

- ⇒ Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- ⇒ Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- ⇒ Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each Plan Participant with a copy of this summary annual report.

Continue Group Health Plan Coverage

Continue health care coverage for yourself, and your Spouse and Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Spouse or Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan Participants and Beneficiaries. No one, including your Employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
